MANCHESTER, N. H. :

JOHN B. CLARKE, PUBLIC PRINTER.

1887.

JOINT RESOLUTION relating to the preservation and publication of portions of the early state and provincial records and other state papers of New Hampshire.

Resolved by the Senate and House of Representatives in General Court convened :

That His Excellency the Governor be hereby authorized and empowered, with the advice and consent of the Council, to employ some suitable person — and fix his compensation, to be paid out of any money in the treasury not otherwise appropriated — to collect, arrange, transcribe, and superintend the publication of such portions of the early state and provincial records and other state papers of New Hampshire as the Governor may deem proper; and that eight hundred copies of each volume of the same be printed by the state printer, and distributed as follows: namely, one copy to each city and town in the State, one copy to such of the public libraries in the State as the Governor may designate, fifty copies to the New Hampshire Historical Society, and the remainder placed in the custody of the state librarian, who is hereby authorized to exchange the same for similar publications by other States.

Approved August 4, 1881.

In accordance with the foregoing resolution, the Governor, with advice of the Council, on the twelfth day of October, 1881, appointed and commissioned ISAAC W. HAMMOND as "Editor and Compiler of State Papers."

EDITOR'S PREFACE.

This volume completes the publication of the Revolutionary War Rolls so far as they can now be obtained. All of the rolls and documents in the possession of the State, and all that the editor could obtain elsewhere, have been used in the compilation of the work. Other material of the kind is supposed to be in existence, and may be obtained at some future time, and *may not*. This volume contains the town returns and accounts, which will be found of great value as indicating the residences of the men, which many of the rolls fail to do. It also contains all the material that could be found in the state archives relating to pensioners, a number of Indian and French war rolls not heretofore published, and a short Revolutionary diary.

The fact that interest in historical research and in the preservation of all original documents pertaining to the days of our ancestors is on the increase among our people is one of the encouraging features of the times. Many valuable manuscripts of ancient dates have been destroyed, and it is important that all that are still in existence which give any information relative to the history of our State should be printed, and thus placed beyond the reach of destructive elements and the autograph hunter, and made accessible to the future historian. The public interest in and general demand for the work is abundantly proved by frequent calls for the loan of advance sheets of this volume, which have been in use almost continuously since the commencement of its publication.

Great care has been taken in transcribing the documents and in compiling a full and complete index. Although some errors will undoubtedly be found, the editor hopes the number will be small.

As many local histories are being compiled, the editor desires to call attention to the importance of an exhaustive index to all such

works. An historical work loses half its value without it. Every occurrence of names of persons and places should be indexed, and the information contained in the volume thus rendered accessible to historical, genealogical, and biographical students.

The next volume will contain a collection of miscellaneous provincial and state documents of much historic value, dating from 1680 to 1800.

HAMMOND.

[6-66] [*Petition from Officers in Continental Regiments 1779.*]

To the Honourable General Assembly of the State of New Hampshire

The humble Petition and Representation of the Subscribers Officers in the Continental Line of the Army in behalf of themselves and Soldiers under their Command — Sheweth —

That most of them have Families which they left with their Friends in the Country, and in Defence of their Rights have exposed themselves to the Hazard and Fatigue of a Military Life in Neglect of their Families to whom they could not pay that Attention which those near Connections demanded, their Situation rendering a personal Discharge of those Duties impossible — That they have patiently endured the Loss of Domestic Happiness and the Pleasures of social Life neglecting their own private Interest in Expectation and fervent Hope the Period would soon arrive when that Peace Liberty and Safety the best Inheritance of our Children would be transmitted and secured to Generations yet unborn — With these Views they have endured Losses Sickness and every Species of Hardship with some degree of Patience, and as they have invariably desired so they most ardently wish to consider themselves as part of the free Citizens of a free Country and not as a separate People with separate and clashing Interests which hereafter may become the Source of Contention more detrimental to our Rights than the present Usurpation of the British Parliament — to this Assembly therefore, the Guardian of our Liberties would we look up for Relief, in whose Justice and Humanity we fully confide — We have, may it Please your Honours, had publick Assurances we should receive a Reward adequate to our Services; this Reward is fixed and determined — we ask not for an Enlargement, being willing to bear the Burthen & share Misfortunes and publick Losses with our Brethren; but with great Concern we observe that for more than twelve Months last past our Brethren have departed from that Line of virtuous Conduct which before guided their Actions, and we find ourselves injured insuperably so without your Honours Interposition — Our Pay once liberal is become of little Value our Families starving, our Money refused and publick Supplies denied our Families; when we find Gentlemen of Rank in the United States publicly refusing the Currency of the Continent, and all Ranks of People who would be thought virtuous hone and religious openly fixing a Depreciation and avowing the Right of Selling Six for one compared with Silver Money, and secretly promoting a further Depreciation — We are alarmed Justly and greatly alarmed — Many of us disposed of our Interest for Paper Money at a low Rate to enter the Service free from Em-

barrassment, this is expended on our Families, or if not, of little Value — To be compelled to sacrifice our all, beggar our Families, ruin our Constitutions, and hasten old Age upon ourselves without Prospects of future Support or some Assurances of Satisfaction for our past Losses by the Depreciation of the Currency, and the publick Assurance of its future Credit are Sacrifices too great for us to make —

To beg we are ashamed — to steal Honor and Virtue forbid — we therefore think it our Duty to present this Memorial to your Consideration, begging our Fears may be calmed by some publick Act of yours in which we will confide, — that we may be assured the Assembly will make good our past Wages depreciated in Value, — That some effectual Measure be taken to supply our Families with the Necessaries of Life, and that the Unmarried be entitled to similar Benefits —

We most sincerely assure your Honours — we still have the greatest Attachment to the Cause of the Country and are still willing to remain in our present Services — before Independancy was declared we looked on ourselves bound by the natural Law of self Preservation to militate with our Enemies at the expence of our Private Interest and every Enjoyment, but since that Declaration and its Confirmation by our Allies, a Military Life ought to become an Occupation worthy of Attention, & we should stand morally condemned any longer to pursue a War almost finished in Neglect of Ourselves and those dear Connections God has given us, and feed on Promises and Anticipation — Honor Ambition Love for the best of Men our Commander in Chief and consequently our Country have hitherto contented us — but Poverty will soon reduce to the doleful Alternative of a disgraceful Appearance or forsaking him without your Interposition —

Altho' we have the highest Veneration for Congress and a personal Attachment to such Members as we know and have addressed them on the Subject, yet the Object of their Concern is so great that they are unable to extend their Beneficence to every Part of the Army so as to give seasonable Relief —

We beg Leave to assure your Honors we bear on our Minds the most grateful Sense of the supplies sent us by the Board of War, asking for a Continuance will full Confidence that the Equity, which will distinguish the United States will finally be manifested in doing equal Justice to every State.

Enoch Poor B. Gen^l

[General Enoch Poor was born in Andover, Mass., in 1737, settled in Exeter, N. H., about 1765, and engaged in shipbuilding. He was appointed colonel of the second New Hampshire regiment at the beginning of the war, and was with the army until his death. He commanded his regiment in the Canada expedition, received a brigadier general's commission from Congress in 1777, and did excellent service with his brigade, — in which were the New Hampshire regiments, — in the battles with the troops of Burgoyne at Stillwater, September 19, and at Saratoga, October 7, of that year. He was with the army at Valley Forge, and on the expedition against the Tories and Indians in 1779. In 1780 he was placed in command of a brigade of light infantry under the command of General, the Marquis de La Fayette, and held that position until he died of fever at Paramus, New Jersey, September 8, 1780. General Poor was esteemed as one of the truest and best officers in the American army. — ED.]

NEW HAMPSHIRE CONTINENTAL REGIMENTS, RECRUITS.

[6-75]

[On the 16th day of June, 1780, the legislature passed an act ordering six hundred men to be raised to recruit the three regiments in the continental army from this state. The committee of safety was directed to give orders to the regimental commanders to raise their several quotas, which were as follows :—

Col. Wentworth's Reg.	44	Col. Evans's Reg.	54
“ Moulton's “	25	“ Gilman's “	36
“ Gale's “	36	“ Badger's “	36
“ John Webster's “	22	“ Gregg's “	21
“ Nichols's “	47	“ Kelley's “	41
“ Stickney's “	52	“ McClary's “	23
“ David Webster's “	12	“ Bellows's “	29
“ Hale's “	40	“ Ellis's “	43
“ Chase's “	23	“ Morey's “	16

The men were to furnish their own clothing, knapsacks, and blankets, and serve until the last day of December next following, or be liable to a fine of five hundred dollars. They were to be paid forty shillings per month “in Money equal to Indian Corn at Four Shillings a Bushel, Grass-fed Beef at Three Pence per Pound, or Sole-Leather at Eighteen Pence a Pound.” They were also to have five pounds each for clothing money, two dollars in paper currency per mile for travel, and money for rations until they could draw continental rations. New Hampshire troops did service this year (1780) at West Point and in New Jersey. — Ed.]

THREE MONTHS' MEN, WEST POINT, 1780.

[In the latter part of June, 1780, the legislature voted to raise 945 men for a term of three months, to reënforce the army at West Point. They were to be organized into two regiments, commanded respectively by Colonel Thomas Bartlett, of Nottingham, and Colonel Moses Nichols, of Amherst. The men were apportioned to be drawn from the following-named militia regiments.

REGIMENTS.	Officers.	Privates.	REGIMENTS.	Officers.	Privates.
Col. Wentworth's	3	70	Col. McClary's	2	36
Col. Evans's	4	86	Col. David Webster's	1	19

Col. Kelley's	3	65			
Col. Badger's	3	55	Totals	48	945
Col. Stickney's	4	82			

The men were enlisted early in July, and marched *via* Springfield, Mass., to West Point, where the vanguard arrived August 4. They were placed under the command of General Arnold, who ordered Col. Nichols and his regiment to camp near his headquarters at the Robinson House, which they did on the tenth of that month. In a letter dated August 18, 1780, Col. Nichols stated that he had 420 men all told in his regiment, and that "Captain Christopher Webber of Col^o Nichols's Reg^t is appointed to do duty as Major of the same." These troops were discharged the latter part of October, as may be seen by the following pay-rolls. — ED.]

Ephraim Stone, of Westmoreland, was appointed captain of one of the companies, and Samuel Runnals,* of Durham, of the other. These men were to serve six months, and were raised from the militia regiments of the state as follows:—

Jonathan Robbins was commissioned as lieutenant of Captain Stone's Co., but declined to serve. Ebenezer Odell, of Amherst, was ensign. Jacob Elliot, of Chester, was lieutenant of Captain Runnals's Co., and Nathan Barlow, of Northumberland, or Stratford, was ensign.

The next following are the rolls of the two companies.

[DEPRECIATION ROLLS TO JANUARY 1, 1781.

The regular pay-rolls of the three New Hampshire continental regiments are not in the possession of the state. The following rolls, which were compiled for the purpose of paying the men a sum of money equivalent to the depreciation of the currency in which their wages had from time to time been paid, probably contain the names of all the men who served in those regiments during the year 1780, and are published in consequence of the absence of the regular pay-rolls. — ED.]

1781.

[By an act of the congress of the United States establishing the continental army for the year 1781, the number of men apportioned to New Hampshire was 1,354, including those in the service who were inlisted for the war, or whose terms did not expire during that year. By an act approved January 12, 1781, the legislature of this state provided for the raising of the men by apportioning them to the several towns, and directed that the quota for each town should be raised within its own limits,* except that men might be hired from such towns as had completed their quotas. Towns were to receive twenty pounds' bounty for each man who passed muster, the money to be paid in four years from the date of muster, with six per cent interest. The men were apportioned to the counties, as then constituted, as follows :—

Rockingham	536	Cheshire	230
Strafford	213	Grafton	98
Hillsborough	277		
		Total,	1534

The returns of the men already in the field, and of those raised to supply the deficiency, with residence of each, may be found in the following rolls. — ED.]

[FRONTIER AND WEST POINT MEN, 1781.]

April 5, 1781, the House of Representatives voted to raise two companies, to consist of sixty-five men each, to rendezvous at Haverhill by the first of June, and be under the command of Lieut. Col. Charles Johnstone. It was subsequently voted not to send them so early; but on the 30th of June a vote passed requiring them to be raised and forwarded immediately. The men were to be raised from the militia regiments commanded by Colonels Ellis of Keene, Chase of Cornish, Morey of Orford, Webster of Plymouth, and "the regiment of the late Col. Bellows," of Walpole, and were to serve six months.

The companies were commanded by Capt. Jacob Smith, and Lieut. Peter Stearns of Plymouth. Stearns's company was raised in July, and Smith's company in August; both were discharged in November. The roll of Stearns's company has not been found.

By an act approved July 4, 1781, provision was made for raising a regiment of six hundred and fifty men, to be ready to march to reenforce the army at West Point whenever called for by Gen. Washington. All that can be found of the returns and rolls of the men raised for this regiment will follow. Daniel Reynolds was appointed Lieut. Col. Commandant, Benjamin Barker first Major, and James Ford second Major. — ED.]

State of New Hampshire. — Pursuant to an order of the honorable, the General Assembly of said State appointing the subscribers, together with Cap^t Dudley Odlin, a committee for the purpose, they have examined the above applicants with their vouchers; & are of opinion that the three first are entitled to a pension of two dollars per month, each, to commence from the date of their respective discharges, that William Lakin having received a pension on the state list to the 31st of July is entitled to two dollars per month from that time. That Moses Swett George & John Clough appear to have received wounds, which, with proper vouchers, which vouchers they left in the hands of some member of the court, would entitle them to the monthly pensions annexed to their names. [George \$1.50 and Clough \$2 per month. — ED.] Jotham Nute not having presented himself for examination, the committee judge, from his vouchers, that he ought to receive a pension of two dollars per month, from the date of his discharge, after passing examination —

State of New Hampshire Exeter Nov^r 28, 1789 — Exam'd per Joseph Pearson Reg^r —

Copy The above was sent to H. Knox Secy at War —

Sir — I have the honor herewith to transmit a Return of the Invalid Pensioners resident in the State of New Hampshire who have

served in the Army or Navy of the U. S. or in the Militia in the Service of the U. S. agreeably to the report of a Committee appointed to examine them —

I am &c [No signature.]

Hon. Henry Knox Esq

Secy, at War —

[The foregoing list has no headings over the columns. The first column is the rate per month in shillings ; the second is probably the person's age ; the last is whether fit or unfit for garrison duty. — ED.]

[DOCUMENTS RELATING TO PENSIONS.]

By a resolution passed Aug. 26, 1776, the Continental Congress provided "That every commissioned officer, non-commissioned officer and private soldier, who shall lose a limb in any engagement, or be so disabled in the service of the United States of America as to render him incapable afterwards of getting a livelihood, shall receive during his life, or the continuance of such disability, the one half of his monthly pay from and after the time that his pay as an officer or soldier ceases; to be paid by the committee as hereafter mentioned." And that those "who shall be wounded in any engagement so as to be rendered incapable of serving in the army or navy, though not totally disabled from getting a livelihood, shall receive such monthly sum as shall be judged adequate by the assembly or other representative body of the state where he belongs or resides, upon application to them for that purpose, provided the same doth not exceed his half pay."

The legislatures of the several states were recommended to appoint registrars of invalids to examine all documents of applicants for pensions, and register their names, etc. The following documents, presented by applicants, are published as containing much information not otherwise obtainable, relative to those who sustained wounds in that great struggle for independence. Some of their petitions were published in the three volumes of town papers, before it was decided to have the Revolutionary war rolls printed, and some have undoubtedly been lost. — ED.]

To the Hon^{ble} the Council & House of Representatives of the state of New Hampshire —

Humbly Sheweth

Robert Barnett of Londonderry in the County of Rockingham Gent — actuated by the Principles of true Liberty & urged by the then melancolly prospect of publick Affairs did (immediately on the Commencement of Hostilities at Lexington) step forth in his Countrys Cause and join a Regiment then forming to be Commanded by Co^l Stark — soon after the Battle of Bunker Hill happened — in which he so distinguished himself as to gain the Approbation of his Superior Officers as to advance him to a Lieutenantcy in a Company then Commanded by Capⁿ Reid and Continued in said Company during their Rout from Cambridge to New York & Canada in the Spring of the Year 1776 — & during the Summer Season of said Year he was greatly Exposed being anxious for the Safety of his

The Petition of Moses Cass

Humbly Shews

That in the Spring of the Year 1777 he inlisted as a Soldier in the third New Hampshire Regiment of Continental Troops for three Years —

That in the Spring of the Year 1778 he was, in consequence of General order at Valley Forge Innoculated for the Small Pox, which occasioned an Ulcer on his right Arm that rendered him unfit for duty —

That your Petitioner being thus circumstanced, & finding that

necessary attention could not be paid to his Arm in the then Situation of the Army, applied to the General Officer under whose Command he was, for leave to return to this State, but the General refused to grant your Petitioner's request, alledging as a reason, that the State of the Army was such that he feared the consequences, that should he grant his request, a number more would apply, whose reason for return^d might be equally strong, he must also grant theirs, & that he should not know where to stop —

That your Petitioner continued in the Service till the expiration of the three years, though he was a great part of the time unfit for duty —

That since your Petitioner's return from the Army tho' he has procured the advice and assistance of a number of the best Surgeons his arm has been, and still is, growing worse, & he expects soon to be under the necessity of submitting to an amputation of it —

That the loss of the use of his Arm, has for several Years past, and he expects ever will, render him incapable of Labor, the only means within his knowledge of procuring a subsistence —

That Your Petitioner engaged in the Army voluntarily, and expected no other reward than his pay, & nothing save this Act of Providence or a similar one, should have compell'd him to ask for more —

Your Petitioner therefore prays your Honors to take his unhappy case under your wise consideration & to grant him such pay from the time of his discharge during life, or for so long time as he shall remain unable to Labour, as is allowed to other Invalids, or to provide for your petitioner in such other way, as your honors in your wisdom shall think best — And as in duty bound will ever pray

[*Abraham Lawrence, of Winchester.*]

To the Hon^{ble} Council and Representatives for the State of New Hampshire in General Court assembled —

The Petition of Abraham Lawrence of Winchester in said State humbly sheweth —

That your Petitioner in the Month of May 1775, entered as a Soldier in the Service of his Country, and served at Prospect Hill

near Charlestown under Capt Hervey, during the Term of Eight Months ; at the End of which he engaged under Capt Plaice in Col^o now Gen^l Reeds Reg^t & served in the Expedition up the Lakes to the years End, The May following he inlisted under Capt W^m Ellis of Col^o Scammells Reg^t for three years, and took the Tour of Ticonderoga, when being obliged to retreat he lost his Clothing (of his own providing) and has had no allowance therefor to this Day—thence to Still-water at the Reduction of Gen^l Burgoyne, where he was slightly wounded ; then to Valley Forge, where he wintered ;—from thence, in the Spring, pursued the Enemy to Monmouth where a Battle ensued—then wintered in Reading in Connecticut—thence went the Expedition up the Susquehannah River to New-town, where on the 29th of Aug 1779 was a Engagement

[original obliterated] Bone into shivers & rendered him altogether unable for Duty—thence he was carried to Sunbury where he lay about Nine Months & suffered much for Food Clothing & Medicines, as well as in great Danger of losing his Leg, & even his Life—Thence to yellow Spring Hospital where he lay about a year, in which time his wound began to heal—But he has suffered & still suffers much Pain by Reason of the frequent ulcerations, caused by the shivered Bones—sometimes he is laid by for two Months together with a single ulceration. The Pains & Hardships he has endured in Consequence of his wound, a very cold & almost intolerabl Smoaky Hospital nearly deprived him of his Eye sight for some time—his Eyes are much weakened, and he yet has, & fears he ever shall have turns of Blindness, if not at length a total loss of Sight, Notwithstanding the Public, and his own Private Expences for his support & cure, he continues & is likely to continue very lame and unable for any hard Services, and must of necessity yet be at considerable Charge, besides Loss of time, to recover any tolerable Degree of Soundness—

And whereas while your Petitioner was in the Hospital last mentioned, it being reported that he was dead, he was left out of the Muster Roll, & has received no Clothing, Wages or Depreciation Money since May 1779—

And whereas after obtaining a Discharge from the Army, tho' by the Assistance of Friends he has returned home, yet he is unable in Person to wait on your Honors, having neither Money nor Clothing, and but one sound Thigh, an Ulcer now gathering in the other—He therefore prays your Honors to take into Consideration the Present unhappy & peculiar Circumstances & Difficulties—the past faithful Services, the private necessary Expences—and the Melancholly Prospects for the future of your humble Petitioner—And make such Provision for his Recieving the Wages, Clothing &c

yet behind & for his future Support or Assistance, as you in your Wisdom and Pity, shall Judge Reasonable & fit—and your Petitioner shall, as in Duty bound ever pray &c

To The Hon^{ble} The Senate & House of Representatives of the State of New Hampshire in General Court Assembled

The Memorial of Solomon Todd humbly sheweth that your Honors Memorialist was a Soldier in the American Army from the beginning of the late War till 1781 when honorably discharged — and moreover he was the greater part of his servitude on very fatiguing duty, and in most of the severest skirmishes & Battles then fought. Please to permit your Honors Memorialist farther to observe that he was under the command of the Hon^{ble} General Sullivan in his successful and glorious Western Expedition, but unfortunately about the close of that Indian rout he was seized with a Disorder which has been gradually stealing on him ever since — Your Honors Memorialist underwent the Operation early last Spring in hopes of recovering his health, but instead of that so unhappy as to be obliged to submit to a second Operation soon, the consequence of which he greatly dreads Therefore As your Honors Memorialist has a Wife & 5 Children without either real or personal Estate & incapable to Work hearing that the most Honorable Congress has recommended such distressed Soldiers to the care of their several States, submits his Case to your superior judgment and most earnestly begs you will be pleased to grant him such relief as honor, justice & humanity may incite & he shall as in duty bound ever pray.

EDITORIAL NOTE.

The following documents will be found valuable to town historians, as they designate the residences of many men not elsewhere stated. They include all of the town accounts for service, and all the returns of men furnished, that can be found. The editor regrets that they are incomplete, notwithstanding the strict examination he has made of all the ancient documents in the state archives, various historical institutions, and private collections. One collection, which he has not been permitted to examine, may contain documents of much value, and it is hoped they will become available in time for publication in the appendix to this volume. As the originals from which many of the following documents are copied contain writing on both sides of the paper, it was not practicable to arrange the matter so methodically as the editor desired; but as all names are indexed, everything relating to towns and individuals can readily be found.

The "r" following names indicates recruit, and "w" enlisted for the war.

[The foregoing mentions several rolls of men who "went to Cambridge" which have not been found. The names of the captains will, in most instances, locate the vicinity whence they marched. Paul Welland's roll at "Jerry's Point" probably should be Jaffrey's Point, New Castle. Captain Robert Wilson went from Londonderry. See Vol. XII. p. 461. Colonel Timothy Ellis, Captains John Houghton and Josiah Richardson, Haverhill, 1780, were

of Keene. Lieutenant Moses Bartlett, Cambridge, 1775, was of Plaistow. Lieutenant David Bryant, Cambridge, 1775, uncertain whether of Plaistow or Weare. Captain John Bellows, Lexington, 1775, was of Walpole. Captains Levi Hooper and John Jennison, who went to Newbury, Vt., in 1780, were of Walpole. Ezekiel Belknap, Cambridge, 1775, was of Atkinson. Captain Jonathan Burton, Cambridge, 1775, was of Wilton. Captain Oliver Ashley, Royalton, 1780, was of Claremont. Captain Ebenezer Britton, Royalton, 1780, and Peacham, 1781, was of Westmoreland. See Vol. XIII. p. 670. Isaac Butterfield, Cambridge, 1775, was from same town. Captain Moses Whipple, Royalton, 1780, and Peacham, 1781, was of Croydon. Captain Samuel Hurd, Royalton, 1780, was of Newport. Ephraim Hubbard, Cambridge, 1775, was of Chesterfield. It is much to be regretted that the rolls above mentioned are not to be found, as they would add considerably to our present knowledge of the service performed by New Hampshire in 1775.—ED.]

A Return of men ingaged in the Continentel Army in New Hampshire Line during the war for the town of Conway

Samuel Wilson

Florence McCalle

The tew men above mentioned were both inhabitants of Conway the said McCalle a Native of Island but has been an inhabitant of Conway some years and ingaged in the contenenel army and Received the continentel bounty onely that after he had served one Camppane he came to Concord and there took some money of the committee that were apoynted to raise men and promised to be there man but Conway has ever considered him as there man and governed themselves according when they received the last Requisition for raiseing men—Samuel Wilson ingaged as soon as they begun to raise men for during the war and received nothing more than the continentel bounty but I under stand that some people since his inlistment has payd him some money and got him returned for some

other town but Conway has ever considered him as there man and governed themselves accordingly when they received the last Requisition for raiseing men—and have also considered the said Samuels father in raising men by the late order and did not exact of him his perportion of money for that purpose raised. —

To the Hon^{ble} Committee of Safety for the State of New Hampshire —

Gentlemen, this day an extent issued from y^e authority against us, respecting Eli Stiles, was bro't to our knowledge — in this matter which concerns the Town of Hollis Principally we beseech you of your Clemency to hear us a little, while with brevity we will endeavor to relate facts — this Stiles tis true enlisted in the Bay, [State] but was hired by a Hollis man, not to Trouble your honours with many words, the Town of Hollis took care to procure an order of Court, that he should not be reckoned for the Bay State — matters went on till last Summer, when an extent came out for our Deficiency of two men — application was then made for an allowance on Stiles'es account, by the by he was absent from the army — which was a Bar against our having allowance, in the mean time we understood that if we would look him up (to use the vulgar phrase) we should be allowed, we procured one man without loss of time, we took care also to get it ascertained that Stiles had come in on Pardon and joined the army — Depositions of this kind with a letter to your honours were not wanting which are now in your hand or with y^e Com^{tee} on Claims — But the obstacle now in the way we understand is that he was not in the New Hampshire lines, which was not our fault may it please your honours, he served not for any other state or Town as will evidently appear, tho' at this Juncture we are under a disadvantage by our Papers being in the hands of Lieut Blake and sent to the army in order that he the said Stiles may be bro't within our limits, further we ever understood that the Letters communicated to your honours by Col^o Kelley were satisfactory, otherwise we should not have rested easy & become obnoxious to so severe a Chastisement, however when we reflect on whose hands the matter depends, this adds Consolation in affliction and we make no Doubt when your honours are fully assured that we hired him maintained his family with supplies at great expence and are still under obligations to do the same by their indigency and that unless we are credited, which is our due, a soldier who has done singular exploits will be lost as to Service — we have betrusted Lieut Prichard with this matter with instructions and we pray your honours would signify to us in writing Redressing our Grievance in this Particular matter — while we are with the highest veneration your honours most obedient and very Humble Serv^{ts} —

To the Hon^o. Senate & House of Representatives to be Convened at Portsmouth the first Wednesday of June next, Humbly sheweth the Petition of Edward Mardin that he inlisted into the service of the United States, and Continued in s^d service untill June 1783 at which time he received his discharge, — that while he was in service (and unbeknown to him) he was returned as a soldier for the Town of Northumberland, and as I was then a transient Person, but now an inhabitant of the Town of Concord in the County of Grafton, I think it reasonable that He should have liberty to be Returned as one of their Quota as they are ready to give a Reasonable sum for his being thus Returned

for them, and as your Petitioner Never Did belong to s^d North-
umberland nor never knew of being thus Returned for them, until
very lately would pray that he may have liberty to be Returned

matter, — or any other way as your Honours in your wisdom shall

his working at times with one Mr. John Ham of said Town the deponent further declareth that at the different times of said Does working with Mr. Ham by the Day week &c he always made New Durham (where his intrest & Family lay) his Home—and the deponent sayeth that he saw one Robert Cason when he came with Cap^t Robert Boodey to New Durham & said Cason said he had left the Scarborough but a day before, which was in the Month of March 1775 that he lived with Cap^t Boody three or four months when he enlisted as a soldier from s^d Town & went to Cambridge that he returned to Cap^t Boodeys in said Town when his time was out and further saith not

To the Hon^l Council and Assembly of the State of N. Hampshire, —

These may inform that Ensⁿ Pelatiah Whittemore has manifested to us an inclination to engage in the service & for the Defence of these United States upon the Continental Plan or upon any Plan that may be adopted by this State: it may be some satisfaction to those concerned in the Appointment of Officers to have the Judgment of those who have an Acquaintance with such as offer themselves. We can then cheerfully say that we look upon s^d Whittemore well qualified to hold an office in the Army; he

hath already served in two Campains, first as a Sergeant and the present year as an Ensign, and that by good information he hath discharged his Duty with Fidelity and good Acceptance. We judge him well capable of serving his Country in this Difficult and important crisis to be second or even first in the Command of a Company, his courage has been put to the trial and has not been found wanting, his steady attention to Duty has done him Honor. We have no Desire to conceal the circumstance that occasioned his leaving the Army of which the Bearer can give you particular information ; yet, it is our humble opinion that it ought not to be construed to his disadvantage or considered in any respect as disqualifying him for office

To the Committee of Safety for the State of New Hampshire —

May it please your Honours — Joseph Smith whom we Claim in behalf & for the Town of Plymouth, the support of our Claim is by the Depositions herewith presented and the following Reasons viz That the said Smith in the first Establishment of the Continental Army engag^d for Plaistow for three years, at the expiration of which we conceive he had fulfilled his engagement to Plaistow, his Rein-listing we conceive gives Plaistow no further Title to him as he was free from any Town when he Reinlisted and his family in Plymouth & belonging there himself & this Town is liable to be called upon by his family at any time when they stand in need for support we conceive no Town has a right to him other than Plymouth, Our having our Quota without him does not debar us of him as our Right, we know not how soon we may want a man. — It has been Reported that Plaistow has got a Rec^t from him that he is engaged for them during the war but we believe your Hon^{rs} will see that, that must be some mistake as his engaging for Plaistow during the war and In-listing but for three years would be Inconsistant with Reason — We leave it with your Hon^{rs} not doubting that you will do what appears to be just in the affair — Said Smith was at home in Plymouth on furlow in April May &c in 1780 — We have engaged Cap^t Benjamin Rogers to wait on you with this as the shortness of the notice & distance of the way makes it inconvenient for us to attend —

The Deposition of Benjamin Preston.

I Benjamin Preston of Rumney of Lawful age Testifieth & saith that in the month of February or March in the year 1780 being then a Private Soldier in the Continental Army in Cap^t Magregores Company then lying in camp at Danbury being the same Company that

Joseph Smith belonged to I was knowing to said Smiths Inlisting at that time in Camp, so far as that he told me he had Inlisted and shewed me his Bounty Money and a furlow to Return home which no Soldier at that time but those newly Inlisted were allowed fur-lows — and further say that I heard one of the officers offer him a Sarjants Birth to Induce him to Inlist and I always understood afterwards and by every circumstance it appeared that he reinlisted and further say not.

N. B. Thomas Rawlings was an Inhabitant of Wakefield & was ingaged in the war by & for said Town — George Fall was a hired man by Sam^l Hall of Wakefield & in his Service for a year before his inlistment & was considered as an Inhabitant of Wakefield & Taxed accordingly William Wentworth was an Indented Servant with M^r Avery Hall of Wakefield several years before his Inlistment to my Sertain knowledge as I now have his Indenture in keeping. Jonathan Morgan was an inhabitant of Effingham or Parsonstown at the time of Inlistment & had been for one or two years preceding that time & had at that time & has now a family

there which has drawn supplys from Wakefield ever since his Inlistment — for the Reasons foregoing I think all the before mentioned persons ought to be Reckoned to Wakefield & no other Town

The Hon^o Mes^h Weare Esq^r President of the State of New Hampshire —

Sir — the select men of this Town have made a Returne of as many men as Soldiers in the Continental army as to Compleat this Towns Quoto and with said Return Did Rite to the Hon^o Committee

of saifty Desiring that if any other Town should Claim any of the men that they Returned, that they might be Informed thereof and have a proper hearing with any town that should claim any of the men contained in their Return. The Return was sent in in April last and contained these names (viz. Urijah Temple Caleb Aldrich Manasah Sawyer Samuel Britton Joseph How Nathaniel Whitcomb William Martin Selah How Noah Levans Pearla Rogers Jeduthan Roberts and James Winton and James Eddy) which are enlisted Dureing the war & are in actual Service — The selectmen of the Town Ware informed by the Sheriff about eighteen days past that he had an extant against this Town for their Defitiency of two Continental Soldiers which was verry unexpected but conclude that it arises by reason of some Towns claiming two of our men and the citation to us for trial thereof has by some means miscarried we are sensible that no other town has given any of them any Incouragement by way of a Bounty and if any other town can hold two of our Inhabitants without paying them any bounty we have four men that we can hold that are Inhabitants of Guilford and ware Recruited by Cap^t Aldrich of this Town and when the Returne of them was made to head Quarters they Desired to be Returned for this Town we have allso Artimus Wit who was Discharged by Major Whitcomb. The Major says he Hired a man in his Roome and allso David Johnson an Inhabitant of this Town who is at Home by order of the Gen^l Court the Reason that the Town did not Return any more than the thirteen was because they were unable to pay a bounty to any more than their Quota and that they were verry certain that they could support their claim to all that they Did Return and ware in that case willing that the others should take a hire from some other town — The Town of Westmoreland in Town Meeting assembled on y^e 13th of this Inst. Voted & chose Cap^t Joseph Burt & M^r Sam^l Works as agents to see into this matter for further Particulars please to inquire of M^r Sam^l Works the Barrer of this Letter

From y^r Honours Humble Ser^t
